

Introduction

The 9th International Power Electronics and Motion Control Conference (IPEMC 2020-ECCE Asia) will be held in Nanjing, China from May 31 - June 3, 2020. IPEMC 2020 - ECCE Asia will exhibit an exciting technical program, following the tradition of premium technical quality as one of the leading IEEE conferences in power electronics and motion control, sponsored by the China Electrotechnical Society, and co-sponsored by the IEEE Power Electronics Society.

IPEMC 2020-ECCE Asia will also feature high-quality Tutorials and Workshops, Industry Panels and Exhibitions, as well as Keynotes from prominent research and industry leaders. It will provide a great venue for professionals from industry and academia to share professional experiences, expand networks, and receive updates on the latest advances in the field of power electronics and motion control. More than 800 researchers, scientists, engineers, and business people from over 30 countries around the world are expected to attend the conference. The sponsorships and exhibitions at the conference have the most direct access to international and local companies and professionals that are highly demanding for innovative products and creative solutions.

The sponsorships and exhibitors are essential and key partners to the conference, demonstrating equipment and expertise to the conference's strength and educational value. Your company can be acknowledged as a supporter of the premier international event for breakthrough ideas that drive progress in the world of power electronics and motion control. Your patronage can advance your company's recognition and reputation among power electronics and motion control professionals - engineers, managers, innovators, designers, developers, educators, and industry leaders. It will be a wonderful and enjoyable time to share your expertise and corporate culture with these professionals and specialists!

Sponsorship Plan

Companies or organizations are welcomed to sponsor the conference according to the packages listed below. It is our pleasure to offer you several outstanding patronage and exhibition opportunities together with promotional business development benefits. The Organizing Committee will ensure that all sponsoring companies receive the highest recognition in return for their generous support to the conference. For any further information, please contact a member of our patron team: Xin Chen (chen.xin@nuaa.edu.cn), and Jun Jiang (jiangjun0628@nuaa.edu.cn).
